This agreement made on _____ _____ , 20_____ between Wolter Power Systems and _____ _____ .

Generator Make Model Serial

***1. Annual Service -** This service will consist of one visit a year in which Wolter Power Systems will replace the oil, oil filter, and fuel filter. The air filter will be inspected. If the air filter needs replacement, the customer will be notified and quoted the price of a new one. The radiator is pressure tested and coolant level is inspected for correct level. Engine pre-heater is inspected for operation and correct heat output. All safety circuit alarms are tested for proper operation. Safety circuit alarms are 'High Engine Temp,' 'Low Oil Pressure,' 'Overcrank,' and 'Overspeed.' All pre-alarms are tested. Any defective parts and/or conditions that would prevent the generator from operating correctly will be listed on the technician's Preventative Maintenance Report and the customer will be notified at time the problems are found.
Annual Service Cost $ _____.

OR

***2. Annual Service Plus One Inspection -** This consists of one annual service as described above as well as one inspection 6 months following the annual service.

Annual Service Cost $ _____ _____ Inspection Cost $_____ Total Annual Cost $ _____

OR

***3. Annual Service Plus Three Inspections -** This consists of one annual service and three inspections done every 3 months following annual service.

Annual Service Cost $ _____ Inspection Cost $_____Total Annual Cost $ _____

***Please initial by the service or services you wish performed and sign below.**

*This agreement may be cancelled by either party upon notice in writing thereof. This agreement supersedes any other maintenance agreement between us, either expressed or implied. This agreement will renew annually with a maximum 5% increase.
